Dear Sir

PESTICIDE TEST

We refer to your fax dated 2 May 1989 requesting that tests be conducted on the sample submitted and have pleasure in enclosing our report No. 561/85350/F25.

The invoice covering the cost of the tests will be forwarded to you soon.

Yours faithfully

for DIRECTOR GENERAL

Date / Datum 1989-05-05

This report relates only to the specific sample(s) tested as identified herein and is issued subject to the conditions printed on the back of this page.

Hierdie verslag is van toepassing slegs op die bepaalde monster(s) wat getoets is soos hierin geïdentifiseer en word uitgereik behoudens die voorwaardes op die keersy van hierdie bladsy gedruk.

**PESTICIDE TESTS**

**1. DESCRIPTION OF SAMPLE**

Tabard lotion.

**2. TEST REQUESTED**

To determine the biological efficacy of the sample as a mosquito repellent.

**3. TEST METHOD**

SABS method 695, Test Series A and D were followed except that:

- a) humans were used as test objects; and
- b) an additional 8 hour exposure was made.

/4.RESULTS ....

## 4. RESULTS

The results obtained are given in Table 1.

TABLE 1

Test subject	Rep min	Number of bites inflicted/time after treatment.					
		30 min		6h		8h	
		Treated	Untreated	Treated	Untreated	Treated	Untreated
1	3	0	3	0	5	0	6
	6	0	8	0	8	0	8
	9	0	4	1	9	0	9
	Total	0	15	1	22	0	23
2	3	0	1	0	8	2	8
	6	0	2	0	9	6	7
	9	0	4	1	9	0	7
	Total	0	7	1	26	8	22
3	3	0	6	0	10	3	9
	6	0	6	0	8	3	4
	9	0	5	0	8	5	6
	Total	0	17	0	26	11	19

  
for DIRECTOR GENERAL

This report relates only to the samples tested and is issued subject to the conditions printed on the back of Page 1. It does not imply approval by the South African Bureau of Standards of the quality and/or performance of the commodity that has been tested. It does not authorize the use of the Standardization Mark.

Hierdie verslag is van toepassing slegs op die getoetste monsters en word uitgereik behoudens die voorwaardes op die keersy van bladsy 1 gedruk. Dit beteken nie dat die Suid-Afrikaanse Buro vir Standaarde die kwaliteit en/of werkverrigting van die getoetste artikel goedkeur nie. Dit verleen ook nie die reg om die Standaardmerk te gebruik nie.
